Dear Ms. Lynch: Attached is a copy of the signature page of the Independent Primary Contract Agreement between Ameritech Elevator and Sumter County which you recently returned to our offices. The Notice to Proceed and Notice of Award were signed, but as you can see this page was not. Please sign and either e-mail back to me at cwebb@sumterclerk.com or fax to my attention at 352-793-0242. If there are any questions, please do not hesitate to give me a call. Thanks for your help in this.
